We cater to both the beginner looking for a trail ride as well as the more experienced rider ready to spend a few days on the trail exploring.

Come and experience scenic Custer State Park and the breathtaking Black Hills of South Dakota

South Dakota

Ride all day around Mount Rushmore,

area covering the Michelson Trail, with the world largest free roaming herd of over 2,000 head of buffalo, and through the

Forest and streams of Custer State Park.

Accommodations

Enjoy the beautiful spacious cabins provided by our dear friends Barney and Linda at the Spirit Horse Escape

We can comfortably accommodate 10 riders at a time, but we can make arrangements for larger groups. Each cabin comes equipped with a kitchen, living area, outdoor deck and barbecue in addition to the top notch sleeping quarters.

The Horses

You will have exclusive use of your own dedicated horse for the duration of your stay. As you can see... the horses seem to like the accommodations every bit as much as our guests.

Our wranglers know the trails inside and out and can show you the sites like no one else can.

For those of you with a bit more riding experience who would rather ride on their own, you also have the option of leasing the horses and we can trailer them out for you and pick you up when your ride is done.

Pricing

There are two options for joining us in South Dakota, you can either do a five day ride or a two day ride.
